

## MINUTES FROM THE GENERAL MEETING, JANUARY 14, 2020

President Edie Crall recognized Vicki Long for her skill and talent with the table decorations. Edie also recognized Sandy Wagoner and Jo Ann Ellison for third place at the State Medallion.

Ann Irwin, who is in charge of the Ringer Board, reminded members to sign up. Forms are downstairs. 2020 Handbooks are delayed and should arrive soon.

Regina Pang, who is in charge of our website, would like to encourage the membership to read it. There is so much good information presented in the website, such as weekly winners and the Niner Bi-Laws.

Kat Danner, Membership Chair, welcomed new and seasoned members. There are 84 members, which includes Handicap and Social. Applications are located downstairs on the board as well as name tag, Handicap only and Social forms.

Niners and Eighteeners are going to the Activity Fair. Edie Crall will be at the table giving out information and applications to ladies that are interested in joining our golf league.

Sandy Wagoner, Treasurer, stated the beginning bank balance was \$10,310.24. January deposits were \$2,705.24, from memberships and a donation from Coyote Golf. Our sweeps, January 7, 2020 paid out \$111.00. That brings our balance on January 14, 2020 to a total of \$12,904.24. The financials are also located on the website.

Terri Tindal discussed outside Invitationals. The Highlands is March 10th and Oro Valley is March 16th. If a member is going to the Outside Invitational, please put your check in the Niners box. Do not send checks to the hosting clubs.

Charlotte James discussed GIN. It is still a problem.

Judy Shilling, Handicap Chair, gave an excellent explanation on how to score on each hole. A player will add net, plus double bogie and add pops to get what the maximum is on each hole. If the player goes over the maximum on a particular hole, player will write an X on that hole, but is not disqualified. Sherly Nugent will post scores on league day. New charts will be coming soon.

A Handicap Seminar is scheduled on January 28, 2020 at 11:30 to 1:30 in the Coyote North room.

Maria Byers, who is Co Chair for the Invitational, March 30, 2020, told the members the theme this year is a safari. There will be a Continental breakfast, putting contest, golf prizes, cash raffle, lunch and more. Half of the proceeds raised will go to the Girls Junior Golf. Wendy Odell is in need of a few more men to help.

Sherly Nugent announced that Regina Pang was the Founder's Cup winner!

Meeting adjourned at 12:20.
