Outside invitationals: We have started receiving invitations from other area clubs who will be hosting invitationals this year. Members are encouraged to check the bulletin board directly across from the Niners Board for "Save The Date" information on these invitationals. These invitationals have been fun events and provide a great opportunity to play other courses in the area. Cheryl Hays is our Outside Invitational Chair.

Founders' Cup: The Founders' Cup has been played since 1990, this being the 32<sup>nd</sup> year. This year's winner is LeAnn Ellingson.
