The screenshot shows a mobile app interface for a golf course. At the top, the time is 16:57, and there are icons for signal strength, Wi-Fi, and battery. Below the time, there are three tabs: 'Scoring' (selected), 'Results', and 'Results'. The main header area shows '< Hole T9', 'Hole T1', and 'Hole T2 >'. Below this, it says 'Par 4 • 322 yds (Red)'. There are four player entries, each with a name and a number in parentheses, followed by a double asterisk and a horizontal line for score entry: Avery, Pat (15); Hauth, Cynthia (15); Keim, Marcia (15); Crossman, Char (20). Below the player list is a 4x3 grid of input fields. The first three rows contain numbers 1-3, 4-6, and 7-9. The fourth row contains 'Clear', '0', and 'X'. At the bottom of the grid are two buttons: 'Undo Changes' and 'Save Scores'. A home indicator bar is visible at the very bottom.

After completion of the hole, enter the scores for your group. **DO NOT ENTER AN "X" FOR HOLES WHERE YOU HAVE PICKED UP DUE TO REACHING YOUR MAXIMUM STROKE SCORE.** When correct, press "Save Scores". The APP will automatically forward to the next hole.

After you complete the last hole, press "scorecard summary". This will show your completed scorecard.

The group must keep 1 paper scorecard. **FOR SCORES WHERE YOU HAVE PICKED UP ENTER YOUR MAXIMUM STROKE SCORE PRECEDED BY AN "X" ON THE PAPER SCORECARD.** Reconcile the paper scorecard to the mobile entry scores just as you would if there were 2 paper scorecards. The paper scorecard must be signed by all players in the group and turned in. (Place in green box in computer room.).
