NOTE: On league days the tournament committee will post all players' scores for handicap purposes.

NOTE: For non-league play, members should post their scores **on the day of each reportable round**. The member must post the correct score (adjusted for maximum hole score – net double bogey), date, course and tees). **Effective 1/16/2024, you must play all 9 holes to have a reportable round. All completed rounds must be posted to GHIN as soon as possible. Ideally, immediately after play. If you plan to play and do not finish your round, or you are not playing a reportable round, you must notify the handicap chair via email.** The new handicap process will automatically convert your 9-hole round to an 18-hole total. The results are available the day following play. Once a member has posted her score, corrections can only be made by the Handicap Chair.
