

Sign up for Weekly Play

Once the manager opens sign-ups for a round, players can sign up for the round (or cancel their request) by following the instructions below:

1. Log into the WGA – 9ers Golf Genius Portal using the Golf Genius App or go to <https://sbgc-wga92025.golfgenius.com/>
2. Go to the Events Sign Ups.

3. A tabular view of rounds for the year will open. Under the “Accepting Sign-ups” you can see if sign-ups are open or closed. You can make changes anytime when sign-ups are open.
4. Under the column titled “Your Status” you can toggle your status for any open round from “not playing” to ‘playing’ and vice versus. If it is a luncheon sign-up the options are “not attending” and “attending”. If you show as “playing” or “attending”, you will be included in that event.
5. You will get an email with your status each time you make a change.
6. When sign-ups close, you will need to follow the cancellation procedure listed in your handbook.
7. If there is golf and lunch scheduled, you will need to sign up for each individually.
